Experience: **Experience Summary:**
Diversity of my regional and international work experience was with some of the most prestigious names in the accounting and finance profession. During this period I worked in both fast paced MNC environment and SME environment all of whom had professionally sound management and good ethical/cultural values. The exposure with high quality companies and professionals helped me groom myself into a hardworking, competition oriented team player and a leader. The diverse nature of my assignments taught me to find solutions to most of the structured/un-structured problems in any corporate entity, and to work with a goal oriented approach.

International Experience

2012-2013 **BSP Group of Companies** **Port Louis, Mauritius.**
A leading financial consultancy firm in Mauritius with over 150 satisfied clients receiving quality financial and business advisory services.

Lahore, Pakistan.

A part of the prestigious 'big 4' firms and the best/leading firm in Pakistan's economy with more than 200 clients receiving audit (internal & external), tax and ERP implementation services.

Position(s) held: Associate/ Senior Associate

I would describe my time at PwC as my best learning experience so far due to the wide array of assignments I carried out and various MNC's I interacted with. My assignments ranged from system implementation to various forms of audits and due diligence reviews.

Responsibilities	Skills Acquired
<ul style="list-style-type: none"> • Carry out internal and external audits • Carry out due diligence reviews • Carry out compliance audits • Assist the ERP team 	<ul style="list-style-type: none"> • Conduct external audits using ISA's and internal audits • Plan audit assignments • Conduct I.T audits • Conduct forensic audits • Conduct reviews of loans and financial products to ensure compliance with banking laws • Audit groups and consolidated financial statements • Assess risk exposure of various MNC's in the economy • Conduct compliance audits with respect to US SOX • Carry out due diligence reviews

ERP Systems Implementation: One of the most valuable experiences acquired during my time at PwC was assisting in the implementation of ERP systems such as Oracle Financial, Oracle HRMS and SAP FICO. As part of the functional member of the team this exposure gave me better insight into how to maximize a company's value by implementing an efficient system of reporting, data management and control.

MNC's audited while at PwC: Coca Cola, Pepsi, Berger Paints, Volvo Pakistan, Honda, Toyota, Bank Al-Falah, Standard Chartered Bank and Nestle foods.
